

Join us for an online workshop that uses your internal Story to inspire positive change! Your life can blossom even through the cracks!

- Identify those areas in your life calling for attention.
- Realize that positive change is truly possible and embrace new methods.
- Learn how to transform difficult situations into a space of discovery.

Taught by Juliet Bruce and Susi Wolf, both Story Healers, Counselors, and seasoned Workshop Facilitators. Each bring a unique skillset to enhance the training experience. With compassion and knowledge, they will transform your life.

Thursday, June 22, 2017 via video conferencing
