COLORING SHEET

Make a wish upon a **STARFISH**,  
The **OCEAN** is so great.  
Count arms on an **OCTOPUS**.  
I count eight.

Listen to the song that  
the **BLUE WHALE** sings.  
How old is that **SEASHELL**?  
Count its many rings.

**SHARKS** are always on the move.  
**JELLYFISH** float.

The **PENGUIN** dives into the cold,  
Kept warm by its coat.

Make a wish upon a **STARFISH**,  
The **OCEAN** is so grand.  
Come see the wonders of the **SEA**  
When you leave the land.
