**WEDDINGS AND CEREMONIES** are special, deserving of celebration with a caring and professional officiant. **Susi Wolf** is the ideal ordained ceremonialist for you. All events include a planning session to ensure every detail is customized, written and designed to your exact desires and expectations. Unique, creative touches are the signature of **Susi Wolf**, as she is a professional storyteller and incorporates delightful tales within each ceremony along with other memorable personal enhancements.

### TESTIMONIAL

“Susi Wolf created the most spiritual and moving wedding ceremony for us in Santa Fe on Christmas Day several years ago, with very little direction from us, as we had only spoken by phone. As a masterful storyteller, she told unique and wonderful stories so perfectly suited for us and our friends who stood for us, offered meaningful prayers and special blessings, and created for us a magical moment in time. It was truly a mountaintop experience.”
